LETTER OF COMMENDATION

Lancaster Emergency Medical Services Association

February 18, 2009

The Lancaster County Board of Commissioners is extremely pleased to present this Letter of Commendation to the Lancaster Emergency Medical Services (Lancaster EMS) and its staff for receiving reaccreditation from the Commission on Accreditation of Ambulance Services for its compliance with national standards of excellence.

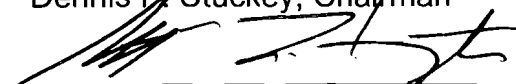

The Lancaster EMS successfully completed a voluntary review process which included a comprehensive application and a detailed on-site review by national experts in emergency medical services. As only one of six ambulance services to receive accreditation in the Commonwealth of Pennsylvania, the Lancaster EMS continues to demonstrate its unprecedented commitment to offering exemplary patient care and to building positive relationships with fellow agencies, the general public, and the media.

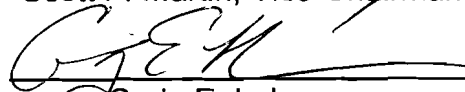

The Lancaster EMS is an invaluable asset to Lancaster County and a role model for agencies across the nation. We are proud of your accomplishments and the high standards you aspire to achieve.

On behalf of the citizens of Lancaster County, the Board of Commissioners thanks you for your dedication to bettering our community.

Sincerely,

Dennis P. Stuckey, Chairman

Scott F. Martin, Vice-Chairman
